

Fight bullshit and bureaucracy every time you see it and get other people to fight it too. Do not let the org chart get in the way of people working productively together.

Optimism, obsession, self-belief, raw horsepower and personal connections are how things get started.

Get back up and keep going.

HEROES OF THE CAPITOL SHOWDOWN

Superstars are even more valuable than they seem, but you have to evaluate people on their net impact on the performance of the organization.

Cohesive teams, the right combination of calmness and urgency, and unreasonable commitment are how things get finished. Long-term orientation is in short supply; try not to worry about what people think in the short term, which will get easier over time.

Spend more time recruiting. Take risks on high-potential people with a fast rate of improvement. Look for evidence of getting stuff done in a timely and efficient manner.

Generating images that trivialize or sensitive historical events, such as genocides, or wars, is not permitted. Images that could distort the gravity or make light of their historical importance.

The platform does not produce content that promotes or undermines specific political ideologies or campaigns. The goal is to be neutral and not create divisive content when it involves polarizing political figures or movements.

Depictions of sensitive political issues, such as elections, healthcare, immigration, and other social movements, may be subject to restrictions. Content that represents these topics in ways that trivialize their real-world implications.

While public figures are more broadly covered by these guidelines, their depiction in exaggerated, mischievous, or potentially defamatory ways, such as through parody or exaggerated realism, is generally prohibited. Content that can confuse viewers about the nature of the figure or the historical event is typically restricted.

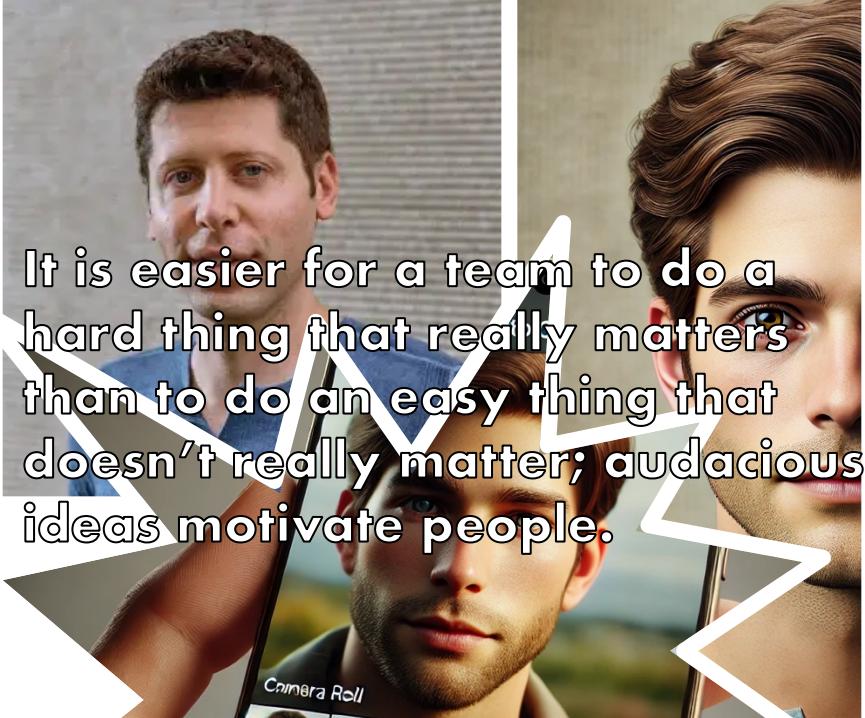

The issues that could potentially arise from this type of imagery include the sensitivity of the historical event itself, particularly when played out in a way that trivializes or obscures its significance, including slavery, war, and other historical events.

Creating imagery that involves political figures in a playful or exaggerated context, such as in a video game, could raise concerns related to the potential for misinterpretation or the potential to trivialize or trivialize political figures.

Election Blitz! Power Struggle! Spin Master! Video game controllers and boxes.

It is easier for a team to do a hard thing that really matters than to do an easy thing that doesn't really matter; audacious ideas motivate people.

Communicate clearly and concisely.

Outcomes are what count; don't let good process excuse bad results.

The individual has medium-brown hair with a clean style.

The hair is thick, with a slight wave near the top, giving a textured appearance.

The sides and back are slightly shorter and tapered look, while the top remains full, offering a polished yet casual appearance.

The hairline is well-defined, creating a balance between the forehead and the hair.

Forehead:

The forehead is moderately sized and balanced, with no visible wrinkles or lines of worry.

The hair is slightly swept backward, giving a balanced look to the face.

The skin appears evenly toned, and the highlights have a healthy, smooth texture.

Eyebrows:

The eyebrows are naturally thick, with arches toward the outer edges, giving a sense of alertness and attentiveness.

They are darker than the hair, with some highlights, creating a more realistic look.

Each brow has clear individual markings, giving a more natural and realistic look.

Eyes:

The eyes are medium-sized, almond-shaped, and evenly spaced.

The irises appear to be a light to medium soft reflection of light visible on the surface, giving depth and a sense of attentiveness.

The eyelids are slightly visible, with the
